**ABORIGINAL CONSTRUCTION TECHNOLOGY PROGRAM**

**OPPORTUNITY**

A joint partnership between the Indigenous Leadership Development Institute, Inc., R.B. Russell School, Aboriginal Communities Community Services and Recreation Division City of Winnipeg, Assembly of Manitoba Chiefs, First Nation and Métis communities has been established to train 25 Aboriginal participants in a 36-week Aboriginal Construction Technology Program beginning on October 2010 and ending in June 2011. Students have the advantage of gaining Grade 12 English, Consumer Math and six Grade 11 & 12 credits in Building Construction and obtain the Mature Student Diploma equivalent to Grade 12 as recognized by the Province of Manitoba.

**THE PROGRAM**

The Aboriginal Construction Technology Program training will take place at **R.B. Russell Vocational School** located at **364 Dufferin Avenue**, Winnipeg, MB. The program will offer a wide range of skills in all areas of building construction. The main focus of the program is to deliver a crossover of construction knowledge and skills, which is relevant to the trades involved in the construction industry. Graduates of the program can apply their newly acquired skills in apprenticeship trades such as carpentry, plumbing, electrical, plastering, drywall and painting. Upon completion, graduates will have the knowledge and skills required to excel in the construction industry and pursue a trade. Upon completion of the required hours students will receive a **Level 1 Accreditation in Carpentry**, which is recognized by the Apprenticeship Branch of Manitoba.

**Eligibility Requirements:**

- \* Aboriginal
- \* Minimum of 19 years of age
- \* Out of school in the past 6 months
- \* Eligible for **FUNDING SUPPORT**
- \* Completion of grade 9 level (Senior 1)
